

LEADERSHIP OPPORTUNITIES

TNA DISTRICTS

District Committees
District Board of Directors

As a District Committee member or board member you would have many networking and mentoring opportunities, a great place to meet colleagues in your area, as well as the chance to help nurses in your area thrive.

STATE

TNA Committees, TNA Board of Directors, Taskforces and TNF Board of Directors

Meet and network with nursing health care leaders in practice, legislation, academics, research and so much more.

NATIONAL

The American Nurses Association, much like TNA, has many opportunities to become involved. When you join, you will receive valuable information from ANA and ways to serve on a national level.

YOU CAN MAKE A DIFFERENCE

Did you know that the Tennessee Nurses Association is completely run by the members? Your participation in TNA makes a difference. Our membership is made up of registered nurses just like you, who volunteer their time to make this organization a viable part of the health care delivery system in Tennessee. Many nurses will say they are where they are today because of nurses they met in TNA. We invite you to become involved today! A TNA staff member, or a member of the TNA Board of Directors, will be happy to help answer any questions you may have. We look forward to hearing from you.
